Prayer requests as of October 25th:

On **Ken Barrett**: Ken's doctor is sure he had a UTI and is treating it with antibiotics. Blood tests showed no infection. He was released on Friday with antibiotics to take by mouth. They are running other cultures also. It may take 5 days to get through this. Ken's very appreciative for all the prayers (please continue) and was really looking forward to getting home.

Ken sent a note **Sunday** that he was much improved and fully expects to be back in class Sunday. Thank You, Lord.

From **Thom Martin** Wednesday on **daughter Samantha Martin**:

"Just had an infectious disease specialist talk to us. She has a bacterial infection of the blood, sepsis. There may be other issues, but thankfully, they are narrowing things down."

Carolyn Moore's celebration of life service will be Tuesday, October 27, in the chapel at CFBC. Visitation is at 10 am and the service is at 11 am.

Update from **Joy Cavazos for son Michael**: Michael was discharged Wednesday night from MDA ER after seeing the doctor out in the hall. No rooms in the ER or hospital and his bloodwork was normal so they sent him home after talking to his doctor. We went in because his colon was greatly enlarged and needed immediate attention. We've been informed he will start the trial study on Tuesday. Please continue praying.

Jo Burnette's test results: "They found diverticulitis and a 10 mm polyp that they sent for biopsy. It was much larger than what I've had in the past. I haven't seen the results yet. Thank you for checking and for prayers." Please pray for good biopsy results.

Gail Brown will have an infusion Thursday and sincerely appreciate our Life Group's prayers.

From **Denise Hammond**: A wonderful **neighbor**, who I'm really close to, **her mom** had a psych event a few days ago. Her mom is doing better. The prayer request is for my friend who is getting a huge runaround from the hospital and so many different stories she doesn't know what to believe. Please pray for my friend that God will open doors and close doors for her mother's care.

Peggy Dollens is requesting prayers for the **upcoming election**. Asking God to preserve our democracy so that we can be One Nation under God. Remind your friends and relatives to vote. Early voting has started. Your participation does matter to our grandchildren.

Noah Friedman, the Hebert's grandson, needs our prayers. He started a new trade several months ago as an electrician apprentice. Thursday, he injured his back. He was unable to work Friday and was still unable to move around Saturday. Please keep him in your prayers.
