Prayer requests as of March 8th:

Maxine Doyle expressed her appreciation to our Life Group for the support, the prayers, and the New Testaments given in memory of her **brother Oswald** who passed away recently.

From **Debra Atkinson**: “Please add **my oldest daughter Kristen Olivas** to the prayer list. She had a mammogram and they found 2 masses. She will be going in on Thursday for a biopsy. Please pray for good results and for Kristen to have peace about the outcome. She is very nervous and anxious about this.”

For **Roger Arras from Cheri**: “Some of the medications are causing terrible side effects but are necessary for healing. Please pray we can manage a good balance for healing to happen. Thank you for your continued prayers and encouraging support.”

According to her update, Joy Cavazos’ **son Michael’s** protein levels were not high enough to participate in the trial program so MDA will start him on 2 new types of chemo by infusion on Friday. Please pray the chemo is effective and he has no side effects so he can continue to work. We are so thankful for your prayers.

Gail Brown will have an infusion procedure this Friday. Please pray for a successful procedure.

Also, **Gail’s sister, Lisa**, continues with her chemo treatments. There was some improvement with her numbers this week. Praise the Lord. Please keep the family in your prayers.

From Lenora Holt, **Dollie Tutt’s** knee replacement surgery went well and she’s home and feeling better. She starts physical therapy on Monday. Please keep her in your prayers during her recovery.

From **Nancy Edwards**: “I’m having outpatient surgery on my left index finger Tuesday morning at Willowbrook. The surgery is to clean out the infection and fuse the joint at the end of my finger. I’m requesting your prayers that the surgery will correct this problem that has been causing me to be unable to use my finger and having a lot of pain for over a year.” Please be in prayer for Nancy for successful surgery.

From Larry and Ginny Hamlin: **Stuart Thorsby is their son-in-law Mark's father.** Stuart has been through much difficulty this past year dealing with brain cancer and with one or more heart attacks, to the point he is being placed on Hospice Care in his home. He became a Christian late in life but has had a Christian influence on his family since. Please pray for him and his family as they go through this difficult time. His son Jeff and his family will be flying here soon to be with him and family. Thank you!

LB Henry, the Hebert’s brother-in-law, was moved from the Baytown hospital ICU to a room on Wednesday. He was in ICU since Sunday. Everything is clearing up – pneumonia, the flu, and coughing. He received one unit of blood. He has moved into a rehab facility, which is part of the same hospital, to get him in condition to return home. Thank you for your prayers and please continue praying for LB’s full recovery.

Niambi Carriere, the mother of the family of three, staying with the Hebert’s, sent a text Wednesday following an orientation saying, “I am a Conroe ISD employee.” We have no details yet but are extremely thankful and grateful to the Lord. The transition will certainly take a while. Thank you for the prayers and please continue.

"...Stand up and praise the LORD your God, for he lives from everlasting to everlasting!" Then they prayed: "May your glorious name be praised! May it be exalted above all blessing and praise! You alone are the LORD. You have made the heavens, The heaven of heavens with all their lights, The earth and everything that is on it, The seas and everything that is in them. You give life to all of them, And the heavenly lights bow down before You."
Nehemiah 9:5, 6
