Prayer requests as of August 16th:

Dianne Davenport's granddaughter Juliette "had surgery on her leg Thursday, as scheduled. The surgeon said there was considerable infection and some of her bone had to be removed so she's in a cast. She's going to be in the hospital for several days. They are in Geneva Switzerland. My son, Jeff, and his wife have assured me that she's getting the best of care. Please continue to pray that the infection will be gone and it will have not spread anywhere else. Thank you all for your prayers, they meant the world to all of us." Families have been gracious in assisting Juliette's family as she continues to heal.

From **Bob Travis: Kathryn** has been notified that her surgery will be this coming Wednesday, August 19, at TOPS Hospital at 1960 and Red Oak. She'll be staying in the hospital at least one night, possibly more depending on how she responds. We both appreciate all the prayers for her over the past several months. Pray for relief from the considerable pain Kathryn is experiencing at this time.

Wanda Allen will have a pacemaker replacement on Wednesday. Please pray for a successful, uneventful procedure.

Sandy McGraw for **Gene McGraw**: Please pray for continued healing, pain management and improved mobility.

From **Andy Brown: Gail** continues with infusions and appreciates our continuing prayers from our class. An infusion is scheduled for this week. Thank you very much.

From **Wilma Wilder: Her daughter** had a heart attack, and a stent was put in. More information when available.

Grady Butler requests prayers for **Lisa Arnold**. Her husband **Jim Arnold** passed away on August 11. Celebration of his life will be August 20 at Lakewood United Methodist Church. Pray for comfort and peace for Lisa and family.

A friend of **Denise Hammond, Gavin**, who's in high school, will have a mole removed from his neck tomorrow. Pray for Gavin and for Denise as she witnesses to him, as he's not a believer.

From Lenora Holt: **Cheryl Duke** (in Montana) asked us to pray for her sister in law, Holly, who is in Memorial Hermann hospital downtown with a very serious eye infection - "Endophthalmitis."

Surgery is scheduled Sunday the 16th.

The doctor told Cheryl's brother he might not be able to save Holly's eye. The infection is in her blood stream, so this is very serious.

Pray for God's healing and perfect care as He guides the surgeon. Pray God completely heals the infection.
