***“For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek. For in it the righteousness of God is revealed from faith for faith, as it is written, “The righteous shall live by faith.”
Romans 1:16, 17***

Prayer requests as of September 13th:

From Beverly Secrest: Prayers for **Frances McIntyre**, who fell and broke her hip. She will have surgery Wednesday at HCA Tomball. She and her daughter, Jan, live together.

Frances began running a fever Saturday night and there is rattling in her chest. Also, after getting her up yesterday it caused significant pain in the sciatica, on the same side where she had the hip surgery. They x-rayed last evening and are waiting for doctor to let them know what's going on. Please pray that God direct doctors in getting the pain under control and that His will be done in getting her to feeling much better.

Charlotte and I went to see her Saturday afternoon and she was doing well, looked good, and has such a positive attitude. On her next birthday, she'll be 92. She's an amazing woman!

From **Weldon Willis for his sister Linda Wright**: Linda has been in the hospital for 1 week today. She has had a bad liver infection and low sodium. She is now much better and hopefully going to be moved to rehab this weekend for about two weeks. She is very weak and trembling such that she cannot feed herself. She and Larry, her husband, covet our prayers.

From Larry and Ginny Hamlin: "Ginny and I have been staying with **(Larry's) my older sister Vicki** in Alaska who will be 84 in December. She is a caring and kind Christian woman, but she needs your prayers. She had shingles on her forehead that affected her eyes. Every day we see her rubbing her forehead to ease some of the pain. Please keep her in your prayers. Thank you, Larry Hamlin."

Urgent from **Joy Cavazos**: Please include **my son Michael** on our prayer list. Michael's cancer is no longer responding to chemotherapy and has spread to his lungs. His chemo has been discontinued. He will have a bronchoscopy on Tuesday, 9/15, to determine how much of the lung is involved and if the cancer is the same as in the stomach and esophagus. We knew this time would come but that does not make it any easier. Please pray for Michael, his sons and our entire family as we support Michael.

We covet your prayers.

From **Jackie Griffin**: "I would like to request prayer for me. I have trachea stenosis (a blockage of scar tissue in my trachea) that the doctors found ten years ago. They did a

bronchoscope ten years ago to stretch the trachea open more. Well, it's closing again. So, Wednesday, 9/16, I have surgery to open it more. They will do another bronchoscope dilation to stretch it some, as well as laser the scar tissue and give a steroid shot in the actual trachea. It's outpatient. The stenosis is right below my vocal cords. Pray they are able to open the trachea so I can breathe better and that the vocal cords don't get too bothered. Surgery is at st. Luke's downtown. Thank you!"

From Brent Johnson: Life Group member **Bill Mehaffey** has died. Bill is the man with whom I have had lunch for the past 16 years when we started a discipleship relationship. He's one of the strongest and most practical Christians I've ever known with a deep desire to know God and follow him. Bill's wife, Marilyn, is at Sycamore Ranch Creek assisted living/memory care because of her dementia. She's been living there for about three weeks. She does not yet know about Bill. Although Bill grew up southern Baptist, his life was radically changed when he came to a better understanding of who God is and what is required of him after he read through the entire Bible many years ago. Since then, he reads the whole Bible 6-7 times a year and has outlined each chapter several times. Bill is exactly where he's been longing to be for many years now.

From Lenora Holt: **Karen McDaniel** has 2 bulging discs in her back that are inflamed and she will have shots in both discs on Friday. She is trying to stay off her feet.

From **Jan Strickler**: The EUS test has been rescheduled for September 24. This is for the cyst that's on my pancreas. They will put me under, insert a tube with a needle on the end, go down my throat, through my stomach, and drain fluid from the cyst for testing. They did the same test 2 years ago, and this is a follow-up test. They'll do it every other year for a while. Please pray for benign results again. Thank you."

From **Andy Brown: Gail** continues with infusions. Gail appreciates the continuing prayers from our class. Thank you very much.

From Grady Butler: The CMC (**Food Pantry**) needs more food as inventories are low now. We had 33 families Saturday morning with two salvation decisions!!! So please review the food list for our life group and purchase some food to help refill our shelves!

Please pray for the senior staff of CFBC: Senior Pastor Dr. Jarrett Stephens, Executive Pastor Jeff Young, Pastor John Wills, Pastor Steven Morris, Pastor Louis Miori, Pastor Ramon Medina, Pastor Michael Neale, Pastor Emory Cothen, Pastor Brent Johnson, Pastor Kal Kilgo, Pastor Eduardo Salazar, Pastor Scott Riling, Student Pastor Justin Holcomb, Pastor Bo Patterson, Pastor Brett Mosser, Pastor Esteban Bauducco, Campus Worship Pastor Durell Comedy, Finance Director Keith Barbour, Kids Minister Stephanie Chase
